Allocation for school buildings

4422. PROF. M. M. AGARWAL: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) the details of amount allocated for construction of buildings for primary schools in the country during the last three years, State-wise; and

(b) the details of amount spent so far on each school in the country during this period?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI ASHOK PRADHAN): (a) and (b) The construction of buildings for primary schools and providing funds therefor is mainly the responsibility of the State Governments and the Government of India only supplements their efforts in this regard. The centrally sponsored scheme of District Primary Education Programme (DPEP) is being implemented in 18 states and Sarva Shiksha Abhiyan (SSA) programme has been launched in the recent past in almost the entire country. Under these programmes, during the entire project period, 33 per cent funds can be utilized for civil works including construction of buildings for primary schools. Funds are released to the states for implementation of the programme as a whole and not component-wise. A statement indicating the number of primary school buildings approved and the total funds released to the states during the last three years from 2000-01 to 2002-03 is enclosed. *(See* below). The details of the school-wise expenditure are not kept at the national level. The costs per school vary from state to state depending on state norms, number of classrooms, terrain, school design, etc.

Statement

Number of primary school buildings approved and total funds released during the last three years from 2000-0 J to 2002-03
